

Welcome Back Curlers!!

We welcome back all Callie curlers for another year of great curling! We are happy to share that the number of teams has risen steadily since the pandemic impacted our 2020 season. The club continues to work diligently to welcome back all curlers, new and old.

The Callie accepts teams, individual curlers and spares throughout the year. You can also help build our membership by introducing new curlers to the game. Bring in a new member and you both receive \$50 in Callie Bucks!
